Please check the web site prior to arriving at the golf course. The hole assignment will not be posted at the golf course. Check with your primary team contact for hole assignment.
- Before arriving at Shamrock Hills know your starting hole. Do not wander around looking for your starting hole. Maintain adequate social distance. Score cards and hole assignments will be posted on each cart. Go directly to your cart and remain there unless you need to use the restroom (limit 3 in restroom at a time). The snack bar will not be open prior to the start of the league. As soon as your team arrives go to your starting hole and wait for 7:30 a.m. to start. - We need for each team to keep the official score on a smart phone. Please keep a hard copy to compare with before finalizing the smart phone golf score card. - Water will not be furnished in 5 gal. coolers on the course for now. Bring your own bottle of water or purchase on the turn at the club house.
- Please return carts to the designated area, clean out your trash. The carts will be sanitized for the next customer. Important: ***Leave the course ASAP.***

### ***Rule Changes During This Transition Period***

- Each hole has a plastic pipe inserted in the center. If the ball hits the pipe, it is considered in. Do not touch or attempt to move the flag sticks.
- Free relief out of the sand traps, no closer to the hole. There will be no rakes in the traps for now.
- There will be no monument prizes (closest to the pin and longest putt) for now.
- Prize money for the previous rounds will be available in the clubhouse on the turn. See Jim Carter.

Hopefully all these precautions will help in making all of us safer so that we can still enjoy the game of golf.
